A MESSAGE OF THANKS TO ALL OUR STAFF

So, we have reached the end of another term but what a term! At the beginning we saw our children learning from home again and then finally back in the classroom where they truly belong. A degree of welcome normality taking us up to the Easter break which unfortunately, some would say, falls a little early this year!

The term ends completing a year of unbelievable disruption that none of us could have anticipated this time last year. We went into the first lockdown not knowing, and perhaps better for not knowing, what was ahead. What we did know however was that whatever this awful virus threw at us our unbelievable team at St. Hilary would rise to the challenge and deliver what was required to give our children the best education possible during extremely challenging times. And this they did time and time again, creating new ways of working, helping parents who might have been struggling and supporting each other when needed.

This "can do" approach went right through the **entire** staff; during my regular updates with Mr Hamshar not once did I hear of any negativity. Yes, there were concerns and varying degrees of anxiety; all quite natural in the circumstances, but despite all the obstacles they faced, what needed to be achieved was achieved!

So, it falls to me to say on behalf of the Local Academy Committee to each and every one of you, "Thank you, thank you, thank you"! Thank you for your unwavering loyalty, dedication and passion. It hasn't gone unnoticed and it certainly won't be forgotten!

Let's hope there are better times ahead; the days are now longer, brighter and warmer. Stay safe and enjoy your well-deserved Easter holiday.

David Sharp (LAC Chair & Leading Edge Academy Partnership Trustee)

As the end of the term is upon us, I thought that I would share some reflections on the term gone by and briefly consider the plan moving forward for early next term at St Hilary.

Spring Term 2021:

It has all been a bit of a whirlwind!

Remote learning - The late notice lockdown kick started things and the staff at the school jumped to remote learning action and the parents, children and entire team here coped magnificently: working together to provide the best possible opportunities for the children considering the extreme circumstances!

End of Lockdown 3 - The return to school couldn't come soon enough and to see the positivity from the children from day one has been overwhelming. The buzz of excited learning, laughter of friendship and rebuilding positive relationships and the sight of the children at play instantly reinforcing the importance of the children being back!

Mother's Day, Red Nose Day and our ZOOM assemblies have again reignited the larger communal events that add another vitally important element of the St Hilary experience.

A new CEO for Our Schools Trust - A huge congratulations from the whole school community to our Headteacher, Mrs Butcher, who successfully navigated her way through the extremely rigorous recruitment process to become CEO of the Leading Edge Academies Partnership (our local team of schools). Her work at St Hilary cannot be understated and her dedication to every child that has come through the school while in her care cannot be faulted. So, who better to step up to lead an even wider group of children through their Primary and Secondary educations! I know the whole school community is very proud of her progress and look forward to working with her in her new role!

So, what next? The Summer Term 2021:

Week 1 - Staff Pupil Progress Meetings – the teachers discuss the progress of each member of their class with the Senior Leaders at the school. These meetings ensure that every child's needs are being considered, catered for and that everyone is given the best opportunities to make the best possible progress – emotionally, socially and academically!

Weeks 2 and 3 - Parent consultation meetings – this week you should have received a letter regarding booking online parent meetings – these meetings are a vital link – especially when the school is not open to parents like normal! They provide that opportunity for teachers to pass on what is going well, any areas for development and to address any concerns, queries you may have as a parent (I am sure many of you are keen to know how your Home learning students have blossomed since your latest spell as Teachers at home!)

Week 4 – Each Bubble at school will be offered an after school club – further details of this will follow early in the new term.

And ... rest assured we are constantly monitoring the government guidelines for the relaxing of lockdown restrictions in schools, so that we can continue restarting the many 'normal' school activities which are essential in making the children's school experience as rich, experiential and fulfilling as they deserve.

But, before all of this ...

There is the small matter of a holiday to enjoy!

I would like to take this opportunity to wish you all a restful and fun two weeks, safely enjoying the new freedoms of the eased lockdown: making the most of the long, light evenings and, of course, sharing the family celebrations of Easter!

Thank you for all of your support and continued positivity over what has been a challenging, decidedly unusual but nevertheless enjoyable term!

All the best and have a very Happy Easter!

Rob Hamshar

BREAKFAST CLUB & FUN ZONE

We are really pleased that parents are using our breakfast and after school club facilities and hope this provides a useful service for you.

However, can I please remind all parents to ensure they book children onto the system in advance for using wrap around care using the School Gateway app. (Pay on the parent pay app as usual.) This will ensure we provide enough staff, food as well as follow appropriate safeguarding procedures. If you need to make cancellations, please ring the school office on 01736.763324.

Many thanks for your co-operation.

Kind regards,

Mr Larter
