"The Best we can be"

Issue: 1066 22.10.2021

Tel. 763324, [www.st-hilary.eschools.co.uk](http://www.st-hilary.eschools.co.uk)

It is a great tradition on the St Hilary School annual calendar that our Year 6 pupils are asked to write and present a speech which will enable them to be elected to become a member of the school's Pupil Parliament. In a very democratic process, the KS2 children listened intently to every single persuasive speech with the sole aim of voting on who they believed would best serve them as representatives of the children's voice at St Hilary School.

With fundamental British Values being demonstrated throughout the process, the Year 6 children have to really think about ideas to help drive the school forward to be the best it can be. Many concepts range from creating a quiet, safe space for children to go to if they are feeling down to promoting an eco-friendly environment for all. This year, there were definitely some 'out of the box' thinking as well as ideas which can be easily implemented with the Pupil Parliament's help.

We are incredibly proud of every single pupil who pushed themselves out of their comfort zone and dug deep to present their ideas to the whole of KS2 via Zoom. Not only did they write passionately, but their mature, committed attitude leading up to the event on Wednesday morning showed true excellence and therefore, they should be commended. There were some children who definitely did not want to take part weeks ago and yet rose to the challenge on the day and can now feel incredibly proud of their achievements – evolution at its best! We even had video recordings from children who were unable to attend – which made for an entertaining occasion!

Every child who took part received at least one vote from a member of the school so they can hold their heads up with pride. The results of the election are as follows:

**Prime Minister – Maximus J**

**Deputy Prime Minister (joint) – Grace E**

**Taher A**

**Member of Parliament – Lilla P**

**Member of Parliament – Tilly S**

Congratulations to our newly elected parliament members for the 2021-2022 – we look forward to seeing what they get up to this year.

There will be many opportunities, throughout the rest of their time at St Hilary, for the other year sixes to take on further responsibilities and we are eager to see how children flourish and shine.

Thank you to all the adults who helped count up the votes and mostly, for the children who really were the best they could be!

Mr Larter

# A little note from Mr H...

Just a little note from me this week to say a couple of big thank-yous!

First, the harvest collection this year – some of which is shown in the photo here. Yet again, this provides clear evidence of the empathy and commitment to supporting the local community and those who will be extremely grateful for the helping hand these donations will provide. A big thank you to Nessie Hill-Dann for her support with this.

Secondly, for your support with the *PTA Spooky Cake Sale* yesterday. It was so lovely to see the children enjoying the opportunity to celebrate the end of the term while raising much appreciated funds for the PTA – whose commitment to supporting the school is hugely appreciated!

The sale raised £111 and represents a great start in the PTAs work this year. More specifically, a huge thank you to the families who made and donated cakes, the Teaching Assistants at school for helping organise proceedings and an extra special thank you to Laura Waters chair of the PTA for her hard work and commitment to making the cake sale happen!

Finally, to all of you! After another half term filled with new and slightly differing challenges, your continued positivity with all elements of school life is hugely appreciated; moreover, it is an absolutely essential element of what makes our school community so healthy and such a great environment for our children to learn and grow.

Here's to a healthy, happy and restful half term.

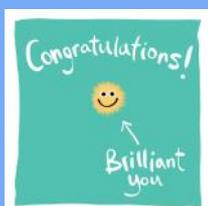

All the best  
Rob Hamshar

# HEAD LICE ALERT

PLEASE CHECK YOUR CHILD'S HAIR TONIGHT!!

## TO CHECK

Check the scalp for insects or eggs.  
Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

## TO TREAT

Wet the hair and scalp with conditioner or use chemical shampoo/ lotion (containing insecticide) – this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

*Always re-treat 7–10 days after the first treatment, to kill any head lice that may have hatched from eggs that survived the first treatment.*

## TIPS

- ✓ Check and treat the hair every night
- ✓ Please tie up long hair for school
- ✓ If your child has head lice please check everyone in the family home
- ✓ Do not share hairbrushes, towels, hats/ scarves etc.

## Starting school September 2022

Applying for a place in a reception class for children born between 1 September 2017 and 31 August 2018

### Attending a nursery or pre-school

You will need to apply even if your child attends a school's nursery or pre-school class. Please note that if a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
