

St Hilary School Newsletter

"The Best we can be"

Issue: 1027 23.10.2020

Tel. 763324, www.st-hilary.eschools.co.uk

Thank you and well done to the St Hilary School Community!

Well ... that is seven weeks gone in an absolute flash, time really does fly when you are having fun! The school has been such a positive place since the very first day back; the children have brought their amazing energy to the school, filling it with the excited buzz of learning and the laughter and chatter of rekindled friendships and new ones beginning to flourish.

In assemblies this term, we have been revisiting and refreshing our understanding of the school's values – the beliefs and the moral compass that guide all of our decision making and which are at the heart of everything we do with the children. These assemblies have focused on a specific value considering its meaning and how it might influence our actions, behaviours, decision making and feelings towards others. These assemblies are still all done on ZOOM - they really have become an absolute highlight of my week, the smiles and positivity from the whole school is infectious!

So far, we have covered Ethical, Excellence and are in the middle of considering why committing to Equity is a cornerstone of our school. Work on this so far has centred around fairness and social justice – considering the importance of celebrating Harvest and Black History Month as part of our equitable approach. After half term, we will feedback on the outcomes from the children's initial work on Black History Month; however, after a week in which so many of you have made generous contributions to our 'Harvest ' food collection, we thought we would share the children's work on this! They have been extremely busy ...

PRUSSIA COVE have celebrated Harvest by sharing the stories of 'Oliver's Vegetables' and 'The Runaway Pea.'

We then talked about where fruit and vegetables come from and discussed how thankful we are for farmers who

grow the crops and for being grateful for the food we eat. We also enjoyed printing with fruits and vegetables and building the tallest tower of tins in class for the food bank.

PERRAN CLASS

Reception and Year 1 children showing their work for Harvest Festival. They thought of all the things they are thankful for. They wrote them down and drew a picture to show us all.

Lili was thankful for fruit because God had created it and Bryher was thankful for the vegetables that the farmers grew. Alba was thankful for apples and tomatoes because God had created her food.

SENNEN CLASS have spent the week celebrating all that they are thankful for and have brought in lots of food to donate to people in need.

In **Kynance Cove Class**, we have been looking at 'The Mousehole Cat' in English. The story's theme is selflessness and we then talked more about showing our thanks to the people around us for how they help us.

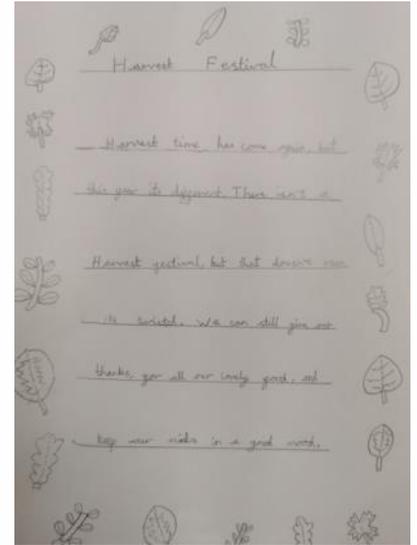

I'd like to add my thanks to the children of my class and my amazing TAs for such a fantastic half-term. They're ace!

Miss J

In **GWENVER** class we discussed why Harvest was important, what it means to us and what Harvest time makes us think of. The pupils then wrote poems in a style of their choosing. These ranged from list poems and rhyming verses to acrostic poems and Haikus.

LAMORNA class created Word Art pictures, on the theme of Harvest Festival, using a variety of fonts as well as relevant words and shapes.

GWITHIAN class have been learning about Harvest, buying locally to support the community and the reasons why we celebrate Harvest.

PORHCURNO Class have been thinking about the meaning of Harvest and how thankful we are. The children created acrostic poems of their choice and have presented them beautifully.

Well done Porthcurno Class!

It has been a very different harvest-based week but one in which the children have all risen to their learning challenges and developed greater awareness of how important an equitable approach really is!

I would also like to extend my thanks to everyone who has made a contribution to the harvest collection – it really is impressive how much has been brought in and we look forward to distributing it locally and to the Penzance Food Bank – great work everyone!

Have a happy, healthy and safe half term and we look forward to seeing you all after a well-earned break!

Mr Rob Hamshar

COVID Update:

I just wanted to keep you up to date with a new development at the school regarding cleaning and sanitiser! Not, prior to this past few months, an area of personal specialism, but one I certainly have read a lot about since September!

As a school we had concerns regarding the increased cleaning and sanitising that was taking place and any associated risks around the increased exposure of children to harsh cleaning chemicals and alcohol-based sanitisers. I know from numerous parental consultations that this has been something that many of you have also had concerns about.

A number of weeks ago the school invested in a new cleaning system – Tersano. This system combines tap water with ozone to create a product with no chemicals, that can be used as an industrial cleaner – floors, desks, chairs, toilets etc. It also has significant environmental benefits, especially as after a given time it reverts back to being water, meaning it has no harmful impact on the waterways.

Another bonus of this system is that it can be used as a chemical-free hand sanitiser, meaning we can have confidence that the children are spick and span without forcing them to use anything that may lead to allergies or irritation.

FINALLY ...

I would like to take this opportunity to say a big thank you, from all of us, for your ongoing support and understanding of the new arrangements and systems at St Hilary. Your calm and reasonable approach and your commitment to doing the right thing by the whole school community, has meant that we have managed a very successful, happy, healthy and positive half term!

THE ROYAL BRITISH LEGION POPPY APPEAL

This year, as in previous years, on behalf of the Royal British Legion, we will have poppies only in school after half term for those staff and children who would like to support this worthwhile cause.

STAFF TRAINING DAY

On Monday 4th January 2021 the school staff will be having a training day, so the children will not commence the Spring Term until Tuesday 5th January 2021.

APPLYING FOR A PLACE AT SECONDARY SCHOOL

For parents of Year 6 children it is the time of year when they have to consider which Secondary School they would like their child to attend in September 2021. This year the deadline for applications is Saturday 31st October 2020.

CLASS CERTIFICATES WEEK ENDING 16H OCTOBER 2020

Perran	-	Edie N & Lowenna H
Prussia Cove	-	Arwyn N & Indie C
Porthcurno	-	Arthur E & Azalia A
Sennen	-	Tegan C & James J
Kynance Cove	-	Tressa A & Oliver R
Gwithian	-	Archie A & Brody T
Gwenver	-	Lola F & Lorelei A
Lamorna	-	Henry C & Arthur G-P

Class Attendance

This week's attendance hot spot goes to GWITHIAN class with 97.7%. Well done all.

DINNER MENU FOR THE FIRST WEEK BACK AFTER HALF TERM

		HOT SPECIALS...	DAILY FAVES...	WEEK 1 <small>W/C: 02/11 23/11 14/12 18/01 08/02 08/03 29/03</small>
