## PE and Sport Premium Funding

Every year I have the opportunity to meet up with fellow PE and Sport colleagues from Primary and Secondary Schools across the County at the annual Cornwall PE Conference and this year was no different, however of course it was presented through Zoom. This is where new initiatives, thoughts, ideas and funding are introduced alongside the latest health focus.

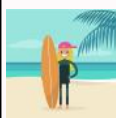

The Government funding for PE and Sport has been added to promote healthy active lifestyles amongst young children, where obesity is rapidly on the increase and as a result of lockdown, people are questioning the negative impact this may have had on the mental health on our young people. Their main focus is that children are ACTIVE for at LEAST 60 minutes A DAY, 30 minutes during school time and 30 minutes at home. Is your child achieving this? At St Hilary we strive to this target with each class completing 'The Daily Mile' or a sustained time of running/brisk walking and the children also complete 'Tabata' type workouts in the classroom, which gets everyone up and out of their seats, raising their heart rates.

As you are aware, the Lockdown didn't stop us from being active at St Hilary and at times competitive, through The Cornwall Virtual School Games, PE lessons and important family time. Seesaw proved to be valuable with documenting the amazing efforts everyone went to with keeping active for both their mental and physical well-being. Great job everyone.

Lockdown has meant that not all of our 'usual' PE activities could take place, such as swimming, sporting competitions, gymnastics/crossfit, the range of extra-curricular activities to name a few. However, because of this we had an underspend of funding, which we needed to spend this year. So I am very pleased to inform you that the school will be purchasing balance bikes, football/netball goals and gymnastic 'rolling' equipment in the very near future!

Since returning back to school this term St Hilary School has most definitely got its Pizazz back! The sound of children's (and staff) laughter, buzz of enthusiasm and general 'bring it on' attitude has to be a highlight for us all. Recently we have seen Year 5 children taking part in their Bikeability training, where the feedback from instructors was extremely positive. This week's highlight has been for Years 5 and 6 as they hit the waves with their first surfing sessions and will continue next half term.

Next half-term we are very much looking forward to welcoming the 'Chance to Shine' cricket development group, who will deliver hourly sessions to 4 different classes throughout the day over a 6-week period.

There's nothing better than seeing the children on their return from these activities (rain or shine) with beaming smiles and so many stories to share about how they conquered their fears and learnt so much along the way.

I'd like to thank all parents, children and staff for all their support through a challenging year and I literally can't wait to see what next year brings... I already have so much penciled in the diary, so fingers crossed!

Have a lovely weekend and I hope you manage to enjoy some much needed sunshine over the next few days.

Take care and stay safe!

## Contact tracing over May half-term

### Dfe school guidance:

*Schools and colleges continue to play an important role in contact tracing for pupils, students and staff. We recognise the challenges of this during holidays, but this remains vitally important in the continued national effort to limit the spread of the virus...*

*... where pupils, students or staff test positive having developed symptoms within 2 days of being in school or college, you are asked to assist...*

As such, please can I ask that you keep the school informed should your child have a positive test for Covid, where the symptoms first registered before 3.30pm on Sunday 30<sup>th</sup> May. This would enable us to contact relevant pupils and staff to inform them of their need to follow the contact tracing instructions. In such an instance please contact me on:

[head@st-hilary.cornwall.sch.uk](mailto:head@st-hilary.cornwall.sch.uk)

I will check my emails between 9 a.m. and 10 a.m. each morning to keep up to date with this.

Thank you so much for your continued support and I hope that you all have a healthy, happy, restful and fun half term break!

All the best

Rob Hamshar

## CONTACT DETAILS

Please ensure that all of your contact details are up to date, particularly if there have been any recent changes. If you are unsure contact Dot via email at [secretary@st-hilary.cornwall.sch.uk](mailto:secretary@st-hilary.cornwall.sch.uk) to check. This is vital information for the school for general communication but particularly in case of an emergency.

## TRAINING DAY

A reminder that the children do not attend school on Monday 7th June as it is a staff training day.
