Porthcurno and Sennen visit Tremenheere Sculpture Gardens

Last week, both classes started off their topic 'Life through a Lens' by visiting Tremenheere Sculpture gardens. The children had iPads to photograph the beautiful sub-tropical plants and flowers. These snap shots will be used throughout the term and utilised in our Science and Art lessons in preparation for our exhibition in December.

All the children and staff had a wonderful time and their photographs were amazing. The children's behaviour and independence was exemplary and they were a credit to the school and themselves.

We are very much looking forward to what our topic has to offer over the Term and there's lots more exciting things planned for the very near future.

'I was amazing! I had the best time ever!' - Ada

'We enjoyed taking photographs of all the beautiful flowers, plants and sculptures' - Jess

'I liked seeing the white fluffy dog!' - Maddie

'I enjoyed spying on the yellow house!' - Oliver C

'I loved all the flowers' - Evie

'My favourite thing to see was all of the sculptures' - Ben

SCHOOL MEALS 5 FOR 4

Chartwells, our school meal providers, are continuing with their promotion that if your child has 4 meals Monday to Thursday, then the 5th meal is free.

Head Lice

We have recently had more reports of children having Head Lice. To prevent the Head Lice spreading, please could you check your children's hair and if any head lice or eggs are found, take appropriate steps to eradicate them e.g. the 'wet-combing' method which involves washing the hair, applying conditioner and combing through with a special 'nit comb'.

Attached is a nits letter apologies for the duplication of this.

CAR PARKING

Yellow hashed areas, disabled bays and newly laid grass!

Please can I remind anyone using a vehicle to collect children from school, that the yellow hashed areas and the double yellow lines in and around the car park are **not** to be parked on in any circumstance. All of this is to ensure the safety of our children leaving the school. When cars park in these areas it really does make the car park become dangerous. Should the situation not improve, then we are going to have to look at alternatives such as closing the car park for collection as the safety of the children must come first.

The disabled bays must only be used by vehicles displaying the official blue disabled parking badge - any vehicles without a badge will be asked to move.

Please could parents also avoid parking on the grass entrances to houses by the school reception and in the narrow part of the lane in this area - we have understandably already received neighborhood complaints regarding this.

We have a "Twitter" account up and running to share our news and celebrations. Please join us at 'StHilarySchool1'

New Parents - make sure you check out our facebook page!

FUNZONE

Please could any parents who wish to book their child(ren) in to Funzone do this via the school office and not in the planners or via class teachers. Also if you have booked your child(ren) in and then find you are able to collect or have someone else collect at the normal time, please ring and cancel the booking to free up the space for other parents.

Thank you.

CHANGE OF INSET TRAINING DAY

The school will be open as usual on 28th October 2019, but 1st June 2020 will now be a training day. Please note that the school planners have **not** been updated to reflect this change.

Next year's term dates, along with all school training days are available on our school website under Calendar and Parent Zone.
