## St Hilary School PTA

The past year here at St Hilary school the PTA has gone from strength to strength. In September 2015 a full committee was elected and plans were made for a full year of fundraising. The events that were organised were supported by our teaching staff, parents and the whole community. Between us all we managed to raise the most amount of money we have ever achieved. I am so proud that together we managed discos, fayres, film nights, cream teas, cake sales, raffles, provided refreshments at Harvest and sports days, as well as a whole school Queen's Birthday celebration.

In January we officially registered as a charity. There are many advantages of being a charity and we are exploring all avenues that will benefit us. We have an easyfundraising page which was set up in June and we have raised approx £40 from this so far. With Christmas coming up and many of us doing our shopping online, the school can benefit and it won't cost you a penny!

It was fantastic to see that the fruits of our labour began to pay off at the end of last term with implementation of Ellie's garden, pizza oven, the new pathways etc. Although there is still work to do I feel that we have really begun to enjoy the progress so far and I am certain the children will be making the most of the area for years to come. As I'm writing this, I believe that all the children are making the most of the weather and are out there making pizzas today.

Looking forward to the rest of the this year, I am hoping we can again receive the same support as last year and organise events that the children, staff and parents enjoy.

A separate newsletter will be with you all shortly with the information from our AGM and more importantly dates for your diaries.

If you have any questions, suggestions etc please don't hesitate to contact me. We need ideas and feedback from parents and carers so we can adjust or change the events that we arrange...if we don't know..we don't do.

Please email me on [sthilarypta@gmail.com](mailto:sthilarypta@gmail.com)

Thank you for your continued support
