SATs Revision workbooks

You will be given a maths and reading SATs booklet to complete pages from each week. You will bring these books in on Monday mornings to go through as a class. Please try your hardest to be independent with all homework although if you struggle at any point, ask an adult to support. Some of the content will be based on topics we have covered in the past so they are a useful tool for revision. Areas we will be learning in class this term will also feature. There will be times when the homework becomes more challenging but remember to be resilient and be the very best you can be.

Year 6 Spellings - Autumn Term – 1st half

Please help your child to learn these words – the weekly challenges on the back of this sheet should assist with understanding their meaning and developing broader English skills.
