## SUPERHEROES ROCK ST HILARY!!!

Prussia Cove and Perran Class would proudly like to announce that they collectively raised £1525.50 for The Cornwall Air Ambulance as part of their Sponsored Superhero Obstacle Challenge. The authentic outcome to their project of "What makes a hero SUPER?" involved the children competing in a test of their strength, fitness, endurance and resilience (and of course a bit of water fun in the process). We would like to say a massive thank you to parents, families and friends for the phenomenal fundraising total. The representatives from the charity were genuinely touched by the achievements from our youngest children and extremely grateful. St. Hilary rocks!!

# myON and Accelerated Reader

Did you know that children can lose a month or more of reading proficiency over the summer? Keeping children engaged with books during the holidays can help to keep them on the right track and ready for the new school year. Using the Summer Reading Challenge is one way to do this, but we'd love you to also use Accelerated Reader at home to keep the children motivated to read (as long as they have been using it at school)!

Children can read books and take Accelerated Reader Quizzes at home...your child's login details are in their Planners and the website is: <https://ukhosted75.renlearn.co.uk/2030917>.

As they read books and take quizzes, the children can track their progress toward their Accelerated Reader goals. KS1 children have the target of 15 points and KS2 children need to aim for 25 points...small prizes will be awarded in September for the children's hard work!

## myON

The children also have access to myON over the summer break which is free to the school during this time. I will update you when I receive the login details.

## Fun Family Reading Activities

Research shows that children of all ages enjoy sharing reading experiences with the adults in their lives. Try a few of these ideas to see which ones work best for your family.

**15-20 Minutes:** Research shows that reading 15-20 minutes a day leads to reading growth. Try to set aside 20 minutes a day to read with your child.

**Get Cosy:** Cuddle up and read to your children every night before going to bed.

**Reading Fort:** Set up a fort or tent that you can use just for reading indoors or outside. Create a sign to hang on the fort—Readers Only Past This Point!

**Family Night:** Establish your very own family night read-in. Set aside designated time when the entire family reads.

**Read to an Audience:** Reading to an audience is fun! Have young children read aloud to their stuffed animals, pets, siblings, or you.

**Virtual Read-Aloud:** If you can't meet in person, have your child read their favourite book to a friend or relative via a virtual meeting site.

**Book Club:** Have your children and their friends choose a book to read and meet (virtually or in person) to discuss each chapter.

**Lead by Example:** Your children look up to you! If you set a good example by reading, they will want to read as well.

# Keeeeeep Reading! :)

Who's going to join the Summer Reading Challenge this year?

<https://summerreadingchallenge.org.uk/>

We usually have a huge number of children taking part...let's keep it up in 2021!

## **SCHOOL FINISHING TIME & FUN ZONE - LAST DAY OF THIS TERM**

Just to clarify, on the last day of this term (Thursday 22nd July) the school will finish an hour early. In order to maintain the 'bubbles' that we have worked so hard to protect, please bring your child's collection time an hour earlier than usual.

**Rec/Year 1, 3, 4 will come out for collection at 2pm**

**and**

**Year 2, 5, 6 will be out for collection at 2.15pm**

**Fun Zone will not be running on the last day of this term**

## **AMENDMENT TO DATE IN SUMMER TERM 2022**

Please note that the date the children return to school after the additional days holiday to celebrate the Queen's Platinum Jubilee is Tuesday 7<sup>th</sup> June and not Wednesday 8<sup>th</sup> June as previously stated.

I really love the way that every week we see different class champions and a switch around with the top 3 leaderboard. I believe that our scores could be higher so come on everyone – spend time on TTrockstars and let's get rocking!

Mr Larter

Our Early Years outdoor environment is looking for a touch of enhancement. Previously we had a wonderful mud kitchen donated by the Ellis family , but due to weathering and damage we are in need of a replacement, any 'handy person' out there willing to build one? Mrs Sandow can supply the pallets and sink but we are looking for donations of stainless steel saucepans, teapots and kitchen utensils please. Any logs to sit on, wooden cable reels, benches, tables, plants, play houses, den building resources, milk crates etc gratefully received. We would also love a sail or large canopy overhead as shade during the hot weather to protect our youngest children....any thoughts or offers?

Thank you in advance!

## BREAKFAST CLUB & FUN ZONE

We are really pleased that parents are using our breakfast and after school club facilities and hope this provides a useful service for you.

However, can I please remind all parents to ensure they book children onto the system in advance for using wrap around care using the School Gateway app. (Pay on the parent pay app as usual.) This will ensure we provide enough staff, food as well as follow appropriate safeguarding procedures. **If you need to make cancellations you are now able to do this yourselves**, but if you need assistance please ring the school office on 01736.763324.

Many thanks for your co-operation.

Kind regards,

Mr Larter

Deputy Head
