Porthcurno and Sennen Class workshop with the Pearl of Africa Children's Choir

Last week, both classes took part in a music and dance workshop led by the fantastic Pearl of Africa Children's Choir at Humphry Davy School. The children's choir have travelled all the way from Uganda to perform across the UK for the last two months.

All the children and staff had a wonderful time taking part in the workshop and Miss Worsey and Mrs Ellis were incredibly proud of those that took part in the evening performance. Our children were one of the youngest classes out of the six schools that participated. The children's

behaviour and enthusiasm was exemplary and they were a credit to the school and themselves.

We are very much looking forward to using the knowledge and skills learnt from this experience in our next topic 'The Big Five' and taking part in more exciting things in the very near future.

Both classes would like to say a huge thank you to the Pearl of Africa Choir for sharing their incredible talents with our children.

'I was so excited I showed my dad before the performance. I enjoyed dancing on the stage!' – Jessie

'The Dinga Ding' dance was my favourite, it was really fast and made me feel happy.' - Tressa

'I really enjoyed singing the African songs. I loved shaking my skirt!' - India

'I felt nervous in front of lots of people but I am glad I did it.' – Thomas

'It was so cool and awesome!' – Mason

'I loved dancing on the stage and wearing the costumes.' - Amelia

We apologise for any inconvenience this may cause.

Everyday Maths Selfies!

To engage children with everyday Maths and to further show them that the subject isn't just for inside the classroom, we are going to have an 'Everyday Maths Selfie' half term display board. The challenge is for children to show Maths outside of school getting a selfie to add to our display board. Discuss with your children where they might see Maths and let's see if you can get the best picture of the half term. There may be prizes for the best photos. We would really appreciate it if you could take part. Have fun and remember that maths is all around you!

Either print a photo or send it to:
ashleylarter@st-hilary.cornwall.sch.uk so I can add it to the display (where the Mathematics Leader board used to be).

THANK YOU!

Head Lice

We have recently had more reports of children having Head Lice. To prevent the Head Lice spreading, please could you check your children's hair and if any head lice or eggs are found, take appropriate steps to eradicate them e.g. the 'wet-combing' method which involves washing the hair, applying conditioner and combing through with a special 'nit comb'.

FUNZONE

Please could any parents who wish to book their child(ren) in to Funzone do this via the school office and not in the planners or via class teachers. Also if you have booked your child(ren) in and then find you are able to collect or have someone else collect at the normal time, please ring and cancel the booking to free up the space for other parents.

Thank you.
